17 debt service reserve fund, if any, and (iv) amounts payable by any Credit Provider in connection

5 In connection with the issuance of the Series 2013 Bonds, the City hereby authorizes and directs

20 from a Credit Provider with such credit rating that, in the opinion of the Underwriters and the
21 Financial Advisor, will achieve an economic benefit for the City if the Series 2013 Bonds are
22 secured by such Credit Enhancement. Any Credit Agreement executed in connection therewith
23 may pledge Dedicated Revenues, Rentals, and Additional Rentals on a parity basis to payment of

1 (i) debt service on the Series 2013 Bonds, and (ii) any amounts due and owing to the Credit
2 Provider under the Credit Agreement. The Mayor and the Comptroller of the City are hereby
3 authorized to approve the terms of any such Credit Agreement, and, with the advice of the City
4 Counselor as to the form thereof, are hereby authorized and directed to execute such Credit
5 Agreement and other documents in connection therewith as required to obtain any such Credit
6 Enhancement.

20 this Ordinance, as is approved by the Mayor and the Comptroller with the advice of the
21 Underwriters and the Financial Advisor, and as is approved as to form by the City Counselor,
22 with the respective signatures of the Mayor and the Comptroller thereon to be evidence of the
23 approval of the City.

1 **Section 11. Further Authority.** The Mayor, the Comptroller, the Treasurer (as to
2 permitted investments only), the Register, and other appropriate officers, agents, and employees
3 of the City are hereby authorized to take such further actions and execute such other documents
4 as may be necessary or desirable to carry out and comply with the intent of this Ordinance, and
5 to carry out, comply with and perform the duties of the City with respect to the City Documents,
6 and the Official Statement.
