An Ordinance pertaining to preventing passage to and from a health care facility and prohibiting activities near certain facilities; containing a severability clause and an emergency clause.

WHEREAS, the Board of Aldermen recognizes that access to health care facilities for the purpose of obtaining medical counseling and treatment is imperative to the citizens of this City and community;

WHEREAS, the exercise of a person’s right to protest or counsel against certain medical procedures must be balanced against another person’s right to obtain medical counseling and treatment in an unobstructed manner;

WHEREAS, that preventing the willful obstruction of a person's access to medical counseling and treatment at a health care facility is a matter of City-wide concern;

WHEREAS, the Board of Aldermen therefore declares that it is appropriate to enact legislation that prohibits a person from knowingly obstructing another person's entry to or exit from a health care facility.

THEREFORE BE IT ORDAINED BY THE CITY OF ST. LOUIS:
