1 management fees. The receipt of any funds appropriated hereunder shall
2 constitute consideration for the Bi-State Development Agency's obligating
3 itself to furnish the evaluation reports as required herein.

4 SECTION THREE. In no event shall the Comptroller draw warrants on the
5 Treasurer of the City of St. Louis for an amount greater than the amount of the
6 proceeds received from the Director of Revenue of the State of Missouri and
7 deposited in the "Transportation Trust Fund" during the period from July 1,

18 which the bid will be let, which shall be attached to and made a part of each bid
19 specification. In establishing prevailing wages and benefits, Bi-State shall

2 Division of Labor Standards, a list of prevailing wages for the job
3 classification(s) which come closest in nature and character to the jobs to be

1 SECTION SIX. In the event the Board of Estimate and Apportionment
2 concludes that any funds herein appropriated or previously appropriated by the
3 City of St. Louis to the Bi-State Development Agency and remaining unspent
4 are used for other than public transit purposes, the appropriation herein enacted
5 shall be reduced by an amount equal to the amount used for other than public
6 transit purposes. The determination of the Board of Estimate and

10 any section of this Ordinance is found by a court of competent jurisdiction to be
11 unconstitutional or is inconsistent with the ability of Bi-State to receive funding from the
12 United States, the remaining sections of this ordinance are valid unless the court finds the
13 valid or consistent sections of this Ordinance are so essentially and inseparably connected
14 with, and so dependent upon the void or inconsistent section that it cannot be presumed
15 that the Aldermen would have enacted the valid sections without the void or inconsistent
16 sections, or unless the court finds that the valid or consistent sections, standing alone, are
17 incomplete and incapable of being executed in accordance with the legislative intent.
