**SECTION ONE. LEGISLATIVE FINDINGS.**

The existence of alcoholic beverage establishments appears to contribute directly to numerous peace, health, safety and general welfare problems including loitering, littering, drug trafficking, prostitution, public drunkenness, defacement and damaging of structures, pedestrian obstructions, as well as traffic circulation, parking and noise problems on public streets and neighborhood lots. The existence of such problems creates serious impacts on the health, safety and welfare of residents of single- and multiple-family within the district, including fear for the safety of children, elderly residents and of visitors to the district. The problems also contribute to the deterioration of the neighborhood and concomitant devaluation of property and destruction of community values and quality of life. The number of establishments selling alcoholic beverages and the associated problems discourage more desirable and needed commercial uses in the area. In order to preserve the residential character and the neighborhood-serving commercial uses of the area, there shall be a moratorium on the issuance of new liquor licenses with the area Beginning at the intersection of the centerlines of Interstate 70 and Branch St., and proceeding along the centerlines in a generally clockwise direction west to Destrehan St., west to Palm St., west
