5 payments to the Bi-State Development Agency, as authorized herein, on the

7 section of this Ordinance is found by a court of competent jurisdiction to be

9 United States, the remaining sections of this ordinance are valid unless the court finds the
10 valid or consistent sections of this Ordinance are so essentially and inseparably connected
11 with, and so dependent upon the void or inconsistent section that it cannot be presumed
12 that the Aldermen would have enacted the valid sections without the void or inconsistent
13 sections, or unless the court finds that the valid or consistent sections, standing alone, are
14 incomplete and incapable of being executed in accordance with the legislative intent.
