

BOARD BILL # 287 INTRODUCED BY ALDERMAN SAMUEL L. MOORE

1 An ordinance pertaining to Special Use Districts; establishing The Greater Ville Commercial
2 Area Special Use District (hereinafter the “District”); providing definitions and findings
3 pertaining to said District; and further providing use and conditional use regulations for said
4 District;

5 **WHEREAS**, Ordinance 66941, codified at Chapter 26.73 of the Revised Code of the
6 City of St. Louis, provides for the establishment of Special Use Districts (hereinafter “SUD”);
7 and

8 **WHEREAS**, the purpose for creation of an SUD as an overlay zoning district for a
9 specific Zoning Districts area should be to assist in the implementation of the Strategic Land Use
10 Plan, Commercial District Redevelopment Plan(s) and/or an adopted Neighborhood Plan for a
11 specific geographic area of at least two (2) contiguous acres per a metes and bounds legal
12 description; and

13 **WHEREAS**, over the last ten years there have been several Ville and Greater Ville
14 neighborhood planning efforts including, but not limited to commercial re-development along
15 Dr. Martin Luther King Drive by the St. Louis Development Corporation, housing strategies for
16 large-scale residential development in the vicinity of the former Homer G. Phillips Hospital and
17 Williams School by the Planning & Urban Design Agency and historic building studies
18 including Expansion to the Ville Local Historic District (2006) and Wagoner Place National
19 Register Historic District (2006) by the Planning & Urban Design Agency, as well as general

1 land use planning for all of the Fourth Ward via the Strategic Land Use Plan (2005), and that this
2 specific SUD is not in conflict with any such plans, strategies or studies; and

3 **WHEREAS**, the purpose for creation of an SUD as an overlay zoning district for a
4 specific Zoning Districts area should also respond to well-defined health, safety, moral and/or
5 general welfare problems, and shall state the problems addressed by any use being prohibited or
6 limited within the SUD area; and

7 **WHEREAS**, this specific SUD is being adopted as an overlay district to reflect the
8 character within the commercial zoning of The Greater Ville Commercial Area (“G” Local
9 Commercial and Office District and “F” Neighborhood Commercial District), and certain
10 adjoining residential zoning districts within the Ville and Greater Ville Neighborhoods which
11 contain existing land uses with health, safety and/or general welfare problems.

12 **NOW THEREFORE, BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:**

13 **SECTION ONE. Definitions.**

14 **A)** Except for terms defined below in this section, all terms used herein in this Ordinance
15 shall have the same meaning as those defined in Title 26 (hereinafter the “Zoning
16 Code”) of the Revised Code of the City of St. Louis, 1994, Annotated (hereinafter the
17 “Revised Code”).

18 **B)** “Lawfully occupied” shall mean that on the effective date of this Ordinance, or on the
19 effective date of any amendment to this Ordinance, a business owner or operator of a
20 business within the District held a valid occupancy permit and a valid business
21 license from the City of St. Louis.

22 **C)** “Nonconforming use” means any building, structure or land lawfully occupied with a
23 use on the effective date of this Ordinance, or on the effective date of any amendment

1 to this Ordinance, which on said effective date would otherwise be in conflict with
2 one or more of the regulations of The Greater Ville Commercial Area Special Use
3 District.

4 **D)** “Nonconforming building” means any building which existed lawfully prior to the
5 effective date of this Ordinance, or on the effective date of any amendment to this
6 Ordinance, which on said effective date would otherwise be in conflict with one or
7 more of the regulations of The Greater Ville Commercial Area Special Use District.

8 **E)** “Nonconforming structure” means any structure which existed lawfully prior to the
9 effective date of this Ordinance, or on the effective date of any amendment to this
10 Ordinance, which on said effective date would otherwise be in conflict with one or
11 more of the regulations of The Greater Ville Commercial Area Special Use District.

12 **F)** “Salvage and Junk Yard Operation” means a use on open areas of a parcel of land of
13 which involves any one or combination of the following: Collecting, cutting,
14 dismantling, sorting, separating, reworking, and/or repacking of any used damaged or
15 undamaged machinery, vehicles, scrap iron, metals, tires, plastics, cloth, construction
16 materials, waste paper, aluminum and/or glass products and/or rubber products as
17 well as the purchase and/or sale of such items. Such operations shall also include
18 “Salvage and Junk Yard Operators” as defined by Section 8.82.170 of the Revised
19 Code. This definition shall not include the collection of recyclable aluminum and
20 paper by nonprofit organizations, nor shall this definition include scrap metal
21 processing, manufacturing and storage by a Major Scrap Metal Processor as defined
22 herein.

1 **G)** “Major Scrap Metal Processor” means an operation having a fixed location using
2 processing machinery and equipment with assessed value not less than \$1,000,000
3 and utilized for processing, manufacturing and storage of iron, steel or non-ferrous
4 metallic scrap into prepared grades, having a principal product of scrap iron, scrap
5 steel or non-ferrous metal scrap for sale for remelting purposes, and employing more
6 than twenty-one (21) full-time employees for a minimum of one (1) continuous year.

7 **H)** “Vehicular-Related Business Operation” means a use on open areas of a parcel of
8 land which involves any one or combination of the following operations:

- 9 a. Vehicle repair facility involving major vehicle repair work, such as the
10 installation or removal of engines, radiators, transmissions, differentials,
11 fenders, doors, bumpers or other major body or mechanical parts, or spray
12 painting, but not including tire recapping;
- 13 b. Vehicle service center involving servicing and minor repair of vehicles such
14 as vehicle washes or detailing, diagnostic services, vehicle lubrication and
15 minor engine repair such as tune-ups and the sale and installation of minor
16 parts and accessories such as radios, sound systems or vehicle alarm systems,
17 tires, batteries, shock absorbers, brakes, mufflers and / or tail pipes or
18 combination thereof, but not including spray painting;
- 19 c. Vehicle storage lot involving towed vehicle storage of vehicles that are not
20 damaged, wrecked or immobilized for a time period not to exceed ninety (90)
21 days, or outdoor storage of vehicles that are wrecked, otherwise damaged or
22 wrecked for a time period not to exceed thirty (30) days; and

- 1 d. Used vehicle sales lot involving the outdoor retail or wholesale sale of used
2 vehicles which are neither wrecked, otherwise damaged nor immobilized
3 within a time period not to exceed ninety (90) days.

4 **SECTION TWO. Findings.** The Board of Aldermen hereby finds as follows::

5 **A)** The Special Use District (hereinafter “SUD”) established in this Ordinance will assist
6 in the implementation of the Strategic Land Use Plan for a specific geographic area of
7 at least two (2) contiguous acres per metes and bounds legal description as provided
8 in Section Four, and depicted in Exhibit 1, of this Ordinance (the “Boundaries”).

9 **B)** The SUD established in this Ordinance as an overlay zoning district for the specific
10 Zoning Districts currently included within Boundaries of the SUD responds to well-
11 defined health, safety, moral and/or general welfare problems, which problems
12 include, but are not limited to, the following:

- 13 a. Difficulty in attracting new businesses to, and retaining existing
14 businesses in, the SUD due to too many vacant, boarded, collapsing and/or
15 underutilized commercial and mixed use buildings within the SUD;
- 16 b. Difficulty in attracting new businesses to, and retaining existing
17 businesses in, the SUD due to uncertainty about the establishment of
18 conforming, but potentially undesirable and incompatible, uses, which
19 may occupy vacant and existing commercial and mixed use buildings
20 within the SUD;
- 21 c. Difficulty in attracting new businesses to, and retaining existing
22 businesses in, the SUD due to unattractive appearance of some existing

1 uses and sanitary and maintenance problems attendant with some such
2 uses within the SUD;

3 d. Difficulty in attracting new businesses to, and retaining existing
4 businesses in, the SUD due to unattractive appearance of some existing
5 vacant lots, parking areas and alleys within and / or adjacent to this SUD;

6 Vacant lots, parking areas and alleys in particular present problems
7 regarding open or illegal storage, derelict or abandoned vehicles,
8 overgrown grass, and dumping of debris, pallets, tires, oil or other items.

9 e. Difficulty in attracting new residential uses and retaining existing
10 residential uses within and in the vicinity of the SUD where commercial
11 and mixed use buildings and / or vacant lots with above noted conditions
12 or uses are located within the SUD.

13 f. Difficulty in attracting new uses and retaining existing uses within and in
14 the vicinity of the SUD due to public perception of a variety of criminal
15 activities within the SUD.

16 g. Some Salvage and Junk Yard Operations, and Vehicular-Related
17 Businesses within this SUD's boundaries have presented significant
18 problems over a long period of years at various sites, many of which also
19 presented significant problems for surrounding properties.

20 h. Some Salvage and Junk Yard Operations, and Vehicular-Related
21 Businesses present problems that negatively impact neighboring properties
22 with visual pollution, especially when there is a lack of adequate fencing
23 or landscaping.

1 i. Some Salvage and Junk Yard Operations, and Vehicular-Related
2 Businesses present problems that negatively impact the surrounding
3 neighborhoods with public nuisances and noise. Salvage and Junk Yard
4 Operations in particular present problems regarding transactions involving
5 stolen property.

6 C) It is in the best interest of the residents of the City to establish the SUD established in
7 this Ordinance.

8 **SECTION THREE. SUD Established and Named.** There is hereby established The Greater
9 Ville Commercial Area Special Use District (hereinafter, the “District”).

10
11 **SECTION FOUR. SUD Boundaries.** The Boundaries (hereinafter, the “Boundaries,” or “SUD
12 Boundaries”) of The Greater Ville Commercial Area Special Use District are hereby described
13 below by a metes and bounds description of an overall area creating a SUD of approximately
14 68.3 acres more or less, and depicted in Exhibit 1 attached hereto, hereby made a part of this
15 Ordinance by this reference:

16 Beginning at the intersection of the centerlines of Dr. Martin Luther King Drive and
17 Marcus Avenue; and proceeding along the following centerlines and city parcel boundary
18 lines, and their prolongations, in a general clockwise direction northward along Marcus to
19 its intersection with the east-west alley in City Block 4476; thence eastward along said
20 alley across Dick Gregory Place, Cora Avenue and Deer Street to its intersection with the
21 eastern boundary of City Parcel Number 3722-00-0030, commonly known as 4518
22 Aldine; thence north along said boundary and its prolongation across Aldine Avenue;
23 thence northward along the centerline of the north-south alley in City Block 3721 to its

1 intersection with Cote Brilliante Avenue; thence eastward along Cote Brilliante across N.
2 Taylor Avenue to its intersection with the north-south alley in City Block 3701; thence

9 in City Block 3699; thence eastward along said alley across Billups Avenue, Annie
10 Malone Drive, Whittier Street, Belle Glade Avenue, N. Sarah Street and Bishop P. L.
11 Scott Avenue to its intersection with N. Vandeventer Avenue; thence southward along N.
12 Vandeventer to its intersection with Dr. Martin Luther King Drive, thence westward
13 along Dr. Martin Luther King to its intersection with N. Sarah Street; thence southward
14 along Sarah to its intersection with the southern boundary of City Parcel Number 3731-
15 00-0110, commonly known as 1425 N. Sarah, thence westward along said boundary and
16 its prolongation as the centerline of the east-west alley in City Block 3731; thence
17 westward along said alley also known as Cozens Avenue across Whittier Street to its
18 intersection with the eastern boundary of City Parcel Number 3728-00-0625, commonly
19 known as 4241 W. Evans; thence southwestward along said boundary to its intersection
20 with W. Evans Avenue, thence westward along W. Evans to its intersection with
21 Pendleton Avenue; thence northward along Pendleton to its intersection with the east-
22 west alley in City Block 3727; thence westward along said alley across N. Newstead
23 Avenue to its intersection with the north-south alley in City Block 3724, thence

1 southward to the intersection with the southern boundary of City Parcel Number 3724-
2 00-0490, commonly known as 1416 N. Taylor; thence westward along said boundary and
3 its prolongation across N. Taylor Avenue; thence westward along the centerline of the
4 east-west alley in City Block 3776 and across Deer Street and Cora Avenue to its
5 intersection with Marcus Street; thence north to the point of beginning.

6
7 **SECTION FIVE. Salvage and Junk Yard Operation restrictions within the SUD**

8 **Boundaries.**

9 A) All existing Salvage and Junk Yard Operations currently operating within the
10 Boundaries of the SUD pursuant to a valid occupancy permit held by the existing
11 owner or operator and a valid business license from the City of St. Louis held by such
12 owner or operator shall be considered legal and conforming uses.

13 B) No new or expanded Salvage and Junk Yard Operations shall be permitted within the
14 Boundaries of the SUD, and any such new or expanded operations shall be non-
15 conforming uses. Any such Operations which do not comply with the requirements
16 of Paragraph A of this Section Five as of the date of this Ordinance shall be
17 considered non-conforming uses.

18 C) A non-conforming use within the SUD must be discontinued within no more than
19 thirty (30) days from the date upon which the City issues notice of the non-
20 conforming use.

21 D) No new owner or operator of an existing Salvage and Junk Yard Operation in the
22 SUD Area shall be granted an occupancy permit for such existing Operation unless

1 such new owner or operator accepts all conditions upon which previous permits and
2 licenses for such Operation were based.

3 **E)** If an owner or operator at an existing Salvage and Junk Yard Operation within the
4 SUD Area discontinues its operations for more than thirty (30) days such Operation
5 shall automatically become a “discontinued non-conforming use,” and such
6 Operations shall then be in violation of Paragraph A of this Section Five.

7 **F)** If a new owner or operator of an existing Salvage and Junk Yard Operation in the
8 SUD Area applies for an occupancy permit more than thirty (30) days after the
9 transfer of ownership, such application shall be denied.

10 **G)** New or expanded Salvage and Junk Yard Operations proposed within the Boundaries
11 of the SUD are prohibited illegal non-conforming uses, and the City shall deny
12 applications for such Operations.

13 **H)** New owners or operators of existing Salvage and Junk Yard Operations in “A”, “B”,
14 “C”, “D”, “E”, “F”, “G”, “H”, “I”, “J” and “L” zoning districts in the SUD Area may
15 appeal denials to the City’s Board of Adjustment, provided that such appeals are
16 made within thirty (30) days after the permit application is denied. New owners or
17 operators of existing Salvage and Junk Yard Operations in the “K” zoning district in
18 the SUD Area may appeal denials via the conditional use process described herein,
19 provided that such appeals are made within thirty (30) days after the permit
20 application is denied. Proposed owners or operators of new or expanded Salvage and
21 Junk Yard Operations in the SUD Area, regardless of the zoning district in which
22 Operations are proposed to be located, may appeal denials to the City’s Board of
23 Adjustment, provided that such appeals are made within thirty (30) days after the

1 permit application is denied. All appeal applications shall include a site plan showing
2 the location of all buildings and structures, location of covered material storage,
3 location and height of fencing, location of parking/queuing and paved areas, location
4 of all vehicular entrances and surrounding streets, and location of outdoor lighting.

5 **I)** Owners or operators of Salvage and Junk Yard Operations in the SUD Area appealing
6 the denial of an occupancy permit via the conditional use process described herein, in
7 addition to submitting the materials set forth in Paragraph H above, shall submit a
8 written report explaining how such owner or operator will meet the Standards set
9 forth in this Section Five, Paragraph K, of this Ordinance (hereinafter, the
10 “Standards”). The Conditional Use Hearing Officer, after reviewing the site plan and
11 report and after holding hearing thereon, may either approve the occupancy permit
12 with conditions that include the Standards or deny the appeal. Following any denial
13 by the Conditional Use Hearing Officer, the applicant may appeal such denial to the
14 City’s Board of Adjustment as a variance, provided that such appeals are made within
15 thirty (30) days after the permit application is denied by such Hearing Officer.

16 **J)** Owners or operators of Salvage and Junk Yard Operations in the SUD Area appealing
17 the denial of an occupancy permit to the City’s Board of Adjustment, in addition to
18 explaining the practical difficulties or unnecessary hardships in the way of carrying
19 out the strict letter of the zoning code for which a variance of the application of the
20 zoning code is sought, shall also address the manner in which such owner or operator
21 will meet the Standards set forth in Section Five, Paragraph K, of this Ordinance.

22 **K)** Standards for a Salvage and Junk Yard Operation:

1 1) Hours of Operation: A Salvage and Junk Yard Operation shall be permitted to
2 operate only after 7 A. M. and before 6 P. M. on Mondays through Fridays,
3 after 8 A. M. and before 4 P. M. on Saturdays, and shall not be permitted to
4 operate on Sundays. No employee or agent of the owner or operator or any
5 other person shall be permitted on the premises one-half hour before or one
6 hour after the hours of operation. The hours of operation shall be
7 conspicuously posted on all gates of the site.

8 2) Security and Visual Screening: A Salvage and Junk Yard Operation shall be
9 secured on all boundaries by an approved fence or wall to prevent
10 unauthorized entry and shall provide visual concealment from all residential
11 uses and residential zoning districts.

12 3) Transaction Records: No Salvage and Junk Yard owner or operator shall
13 accept or make full or partial payment for any article of property, accept any
14 article of property in trade for any other article of property, or otherwise
15 purchase any article or property from any person (“Customer”) unless he shall
16 make a photocopy of Customer’s valid and unexpired state-issued
17 identification card or drivers’ license. If Customer does not possess a valid
18 and unexpired state-issued identification card or drivers’ license, owner or
19 operator shall photograph the person from whom such article is being
20 received. Such photograph is to be attached to a transaction form which shall
21 be completed at the time of the transaction. The transaction form shall include,
22 but not limited to: 1) the date and time of sale, 2) place of sale, 3) name, 4)
23 address, 5) date of birth, 6) social security number, 7) driver’s license number

1 (if different from social security number of seller), 8) description of seller, 9)
2 home and business telephone number of seller, 10) employee handling the
3 transaction and description of property sold to owner or operator, 11) the type
4 and amount of consideration paid (including the routing number and bank
5 account number of any check that is tendered for payment). The requirement
6 that the seller be photographed shall not apply to any purchase or trade-in
7 transaction which occurs at an auction or in the private house or office of the
8 person selling said items but all other requirements as aforesaid shall remain
9 in effect. The transaction form must be maintained by the Salvage and Junk
10 Yard owner or operator for a minimum of one (1) year following the date of
11 the transaction.

12 4) Posted Notices: Every Salvage and Junk Yard owner or operator shall display
13 a notice to his customers in a prominent place to the effect that he may be
14 required to photograph every person selling or offering as full or part payment
15 an item to him, pursuant to city Ordinance.

16 5) Cash Purchase Record for Certain Metals: No Salvage and Junk Yard
17 Operation owner or operator shall purchase any metal articles for cash,
18 including but not limited to copper, brass, copper alloy, nickel, nickel alloy,
19 iron, steel, tin, mercury, lead, or any other metal alloy containing these
20 materials unless such owner or operator shall also, in addition to the
21 photograph, and transaction form described in this Section Five, Paragraph K,
22 subparagraph 3, keep: 1) a photocopy of the operator or chauffeur's license of
23 the person delivering the metal, 2) the state license number of the vehicle in

1 which the metal was delivered, 3) the quantity of material purchased, 4) the
2 general description of the form of the metal when received including whether
3 the same is in the form of wire, cable, bars, fittings, guttering, rods, or tubing,
4 5) the names and addresses of the person, groups of persons, or corporation
5 from whom the seller obtained the metal, and 6) the disposition of the metal
6 after receipt by the Salvage and Junk Yard operator during all the time the
7 metal is in his possession, including the name and addressee of any person,
8 firm, or corporation to whom the metal is sold or exchanged by Salvage and
9 Junk Yard operator.

10 6) Record Retention and Inspection: All records required by this Section shall be
11 open for inspection by authorities of the City of St. Louis and/or the St. Louis
12 Metropolitan Police Department and must be maintained by owner or operator
13 and made available for inspection a minimum of one (1) year following the
14 date of the transaction

15 7) Manufactured Merchandise: No Salvage and Junk Yard Operator shall receive
16 any damaged or undamaged manufactured merchandise such as any camera,
17 radio, television set, compact disc player, DVD player, home entertainment
18 centers, audio and video equipment, lawn mower, typewriter, addition
19 machine, calculating machine, copying machine, duplicating machine, tape
20 recorder, tape player, cash register, still or moving picture projector or offset
21 projector, dictating machine, record player, electric buffer, electric polisher,
22 electric floor waxer, computer equipment, scanning machines, fax or any
23 other technological media, whether used for entertainment, business or

1 otherwise, or any item that is manufactured with a serial number or other
2 identifying insignia, unless the item shall have plainly visible thereon the
3 manufacturer's serial number or other identifying insignia. The transaction
4 form relating to the purchase of manufactured merchandise shall include the
5 serial number or other identifying insignia.

6 8) Restriction on Disposition: No Salvage and Junk Yard operator shall sell, melt
7 or shred any manhole cover, residential scale metal pipes and metal gutters for
8 a minimum of two (2) business days following such operator's purchase or
9 receipt of such items. The operator shall maintain such items in the form
10 purchased during such holding period.

11 9) Compliance: Inspections shall occur periodically and during normal business
12 hours to insure compliance with this ordinance and building, health,
13 environmental and safety codes. Inspections will be performed by the
14 Building Division of the Department of Public Safety of the City of Saint
15 Louis, and inspector(s) may be accompanied by representatives of the St.
16 Louis Metropolitan Police Department and federal law enforcement officers.

17 10) Revocation of Permit: The City may revoke any permit granted to any
18 Salvage and Junk Yard owner or operator if such operator is convicted and/or
19 enters a plea of guilty to the charge of receipt of stolen goods.

20 11) Restrictions on Permit Issuance: No permit for a Salvage and Junk Yard
21 Operation shall be issued to any person or entity (whether owner or operator
22 of such Operation) within two years after such person or entity has pled guilty
23 or been found guilty of any violation of any city, state or federal law relating

1 to the operation of a Salvage and Junk Yard Operation nor shall any such
2 permit be issued to any person or entity (whether owner or operator of such
3 Operation) within two years following the revocation of a permit for such
4 Operation.

5 12) Storage Locations: No material purchased or offered for sale by any Salvage
6 and Junk Yard Operation shall be stored within eight (8) feet of the fence (or
7 wall) required by Paragraph K Subparagraph 2 above; no material shall be
8 stacked higher than the lesser of the fence (or wall) height or fifteen (15) feet,
9 unless such material is more than fifty (50) feet from the perimeter of the
10 property lines.

11 13) Lighting: Lighting appropriate for size of operation and site shall be provided
12 for each Salvage and Junk Yard Operation and shall operate continuously
13 after sundown and before sunrise, provided, however, that the lighting
14 arrangement shall not be a disturbance to occupants of other property.

15 14) Fences or Walls: Fences (or walls), required pursuant to Paragraph K,
16 Subparagraph 2 above, shall conform to the requirements of Chapter 8.50 of
17 the Revised Code or to stricter requirements for Salvage and Junk Yard
18 Operation sites as may be established by Board of Adjustment or Conditional
19 Use Hearing Officers.

20 15) Paving: Paving appropriate for size of operation and site as determined by
21 Board of Adjustment or Conditional Use Hearing Officer shall be required for
22 each Salvage and Junk Yard Operation.

1 16) Additional Standards: The Board of Adjustment and/or the Conditional Use
2 Hearing Officer may impose other standards, including but not limited to
3 those in Section 26.80.010 of the Zoning Code, as deemed appropriate by the
4 Board of Adjustment or Conditional Use Hearing Officer.

5 **L)** The Board of Adjustment's or Conditional Use Hearing Officer's decision to approve
6 a variance or issue a permit with conditions based on the Standards listed in Section
7 Five, Paragraph K, shall be valid but revocable after a period of one (1) year has
8 elapsed after issuance of such variance or decision, if during which time the applicant
9 has failed to fully meet all conditions of the variance or decision, including
10 implementation of the approved site plan. The City shall issue permits only after
11 completion of the work required to implement the approved site plan is complete and
12 such completion is verified by the Zoning Administrator or Zoning Section staff.

13 **SECTION SIX. Vehicular-Related Business Operations within SUD Boundaries..**

14 **A)** All existing Vehicular-Related Business Operations currently operating within the
15 Boundaries of the SUD pursuant to a valid occupancy permit held by the existing
16 owner or operator and a valid business license from the City of St. Louis held by such
17 owner or operator shall be considered legal and conforming uses.

18 **B)** A non-conforming use within the SUD must be discontinued within no more than
19 thirty (30) days from the date upon which the City issues notice of the non-
20 conforming use. No new or expanded Vehicular-Related Business Operation shall
21 be permitted within the Boundaries of the SUD, and any such new or expanded
22 operation shall be a non-conforming use. Any such Operation which does not comply

1 with the requirements of Paragraph A of this Section Six as of the date of this
2 Ordinance shall be considered non-conforming uses.

3 **C)** No new owner or operator of an existing Vehicular-Related Business Operation in the
4 SUD Area shall be granted an occupancy permit for such existing Operation unless
5 such new owner or operator accepts all conditions upon which previous permits and
6 licenses for such Operation were based.

7 **D)** If an owner or operator of an existing Vehicular-Related Business Operation within
8 the SUD Area discontinues its operations for more than thirty (30) days such
9 Operation shall automatically become a “discontinued non-conforming use,” and such
10 Operation is then in violation of Paragraph A of this Section Six.

11 **E)** If a new owner or operator of an existing Vehicular-Related Business Operation in
12 the SUD Area applies for an occupancy permit more than thirty (30) days after the
13 transfer of ownership, such application shall be denied.

14 **F)** New or expanded Vehicular-Related Business Operations proposed within the
15 Boundaries of the SUD are prohibited illegal non-conforming uses, and the City shall
16 deny applications for such Operations.

17 **G)** New owners or operators of existing Vehicular-Related Business Operation sites in
18 “A”, “B”, “C”, “D” and “E” zoning districts in the SUD Area may appeal denials to
19 the City’s Board of Adjustment, provided that such appeals are made within 30 days
20 after the permit application is denied. New owners/operators of existing Vehicular-
21 Related Business Operation sites in the “F”, “G”, “H”, “I”, “J”, “K” and “L” zoning
22 districts in the SUD Area may appeal denials via the conditional use process
23 described herein, provided that such appeals are made within 30 days after the permit

1 application is denied. Proposed owners or operators of new or expanded Vehicular-
2 Related Business Operations in the SUD Area, regardless of the zoning district in
3 which Operations are proposed to be located, may appeal denials to the City’s Board
4 of Adjustment, provided that such appeals are made within thirty (30) days after the
5 permit application is denied. All appeal applications shall include a site plan showing
6 the location of all buildings and structures, location of covered material storage,
7 location and height of fencing, location of parking/queuing and paved areas, location
8 of all vehicular entrances and surrounding streets, and location of outdoor lighting.

9 **H)** Owners or operators of Vehicular-Related Business Operations in the SUD Area
10 appealing the denial of an occupancy permit via the conditional use process described
11 herein, in addition to submitting the materials set forth in Paragraph G above, shall
12 submit a written report explaining how such owner or operator will meet the
13 Standards set forth in this Section Six, Paragraph J, of this Ordinance (the
14 “Standards”). The Conditional Use Hearing Officer, after reviewing the site plan and
15 report and after holding hearing thereon, may either approve the occupancy permit
16 with conditions that include the Standards or deny the appeal. Following any denial
17 by the Conditional Use Hearing Officer, the applicant may appeals such denial to the
18 City’s Board of Adjustment as a variance, provided that such appeals are made within
19 30 days after the permit application is denied by such Hearing Officer.

20 **I)** Owner or operators of Vehicular-Related Business Operations in the SUD Area
21 appealing the denial of an occupancy permit to the City’s Board of Adjustment, in
22 addition to explaining the practical difficulties or unnecessary hardships in the way of
23 carrying out the strict letter of the zoning code for which a variance of the application

1 of the zoning code is sought, shall also address the manner in which such owner or
2 operator will meet the Standards set forth in Section Six, Paragraph J of this
3 Ordinance.

4 **J) Standards for a Vehicular-Related Business Operation Appeal:** The following
5 standards shall be used in reviewing appeals of denials of occupancy permits for
6 Vehicular-Related Business Operations within the Boundaries of the SUD.

7 1) Hours of Operation: The Conditional Use Hearing Officer and/or the Board of
8 Adjustment may limit hours of operation based on the anticipated effect of
9 proposed business operations on adjacent or nearby residential, commercial,
10 industrial, recreational or institutional land uses, based on any record of
11 criminal or nuisance problems, and/or at the request of affected persons
12 communicated at the Conditional Use Hearing.

13 2) Prior Permit Violations: No permits shall be issued to any person or entity for
14 two years after such person or entity has pled guilty or been found guilty of
15 owning or operating a Vehicular-Related Business Operation in violation of
16 any city, state or federal law, nor shall any permit be issued to any person or
17 entity within two years of the revocation of an occupancy permit.

18 3) Parking: The Conditional Use Hearing Officer and/or the Board of
19 Adjustment may impose limitations on the number and type of vehicles
20 parked at the site where the configuration of the site and/or its relationship to
21 adjacent properties is anticipated to cause a nuisance and/or other problems
22 for affected persons as communicated at the Conditional Use Hearing.

- 1 4) Open Storage and Visible Repair: No repair of vehicles shall be allowed
2 outside of buildings, no open storage of damaged vehicles awaiting repair or
3 body work for more than two weeks shall be permitted, and no salvage and
4 junkyard operations as defined herein shall be permitted.
- 5 5) Driveways and Parking Areas: All parking and vehicular drives on the site
6 must meet requirements contained in Sections 17.02.380 and 25.32.040 of the
7 Revised Code. All new curb cuts and/or changes in locations of curb cuts for
8 entrance and exit driveways shall be subject to the approval of the Street
9 Department.
- 10 6) Lighting: No permit shall be issued for any new or expanded Vehicular-
11 Related Business Operation pursuant to any application that does not provide
12 lighting appropriate for size of operation and site, which lighting shall operate
13 continuously after sundown and before sunrise, provided, however, that the
14 lighting arrangement shall not be a disturbance to occupants of other property.
- 15 7) Fencing: No permit shall be issued for any new or expanded Vehicular-
16 Related Business Operation pursuant to any application that does not conform
17 to fencing requirement of Section 26.40.027 of the Revised Code or such
18 other fencing requirements for Vehicular Related Business Operations as may
19 be established by Board of Adjustment or Conditional Use Hearing Officer for
20 the particular site.
- 21 8) Landscaping: No permit shall be issued for any new or expanded Vehicular-
22 Related Business Operation that does not propose adequate landscaping to
23 mitigate the operation's impact on neighboring residences and businesses.

1 9) Signage: No permit shall be issued for signage for any new or expanded
2 Vehicular-Related Business Operation that does not conform to the provisions
3 of Section 26.40.027, Items B2 through B6 of the Revised Code.

4 10) Refuse: No permit shall be issued for any new or expanded Vehicular-
5 Related Business Operation where the site plan does not provide an adequate
6 number and size of refuse dumpster enclosures.

7 11) Compliance: Inspections shall occur periodically and during normal business
8 hours to insure compliance with this ordinance and building, health,
9 environmental and safety codes. Inspections will be performed by the
10 Building Division of the Department of Public Safety of the City of Saint
11 Louis.

12 12) Other standards: The Board of Adjustment or Conditional Use Hearing
13 Officer may impose other standards as such Board and/or Officer deem
14 appropriate.

15 **K)** The Board of Adjustment's or Conditional Use Hearing Officer's decision to approve
16 a variance or an appeal with conditions based on the Standards listed in Section Six,
17 Paragraph J shall be valid but revocable after a period of one (1) year has elapsed
18 after issuance if during which time the applicant has failed to fully meet all
19 conditions, if any, and implement the approved site plan. The City shall issue the
20 permits only after the work required to implement the approved site plan and
21 conditions related to the issuance of the permit, if any, is complete and such
22 completion is verified by the Zoning Administrator or Zoning Section staff.

1 **SECTION SEVEN. SUD Use Regulations.** A building, structure or premises may be used for
2 any purpose not restricted in Section Five or Section Six of this Ordinance if it is a purpose
3 otherwise allowed in the respective Zoning District in which it is located except for the following
