

BOARD BILL NO. 12 FLOOR SUBSTITUTE INTRODUCED BY ALDERMAN CRAIG SCHMID, ALDERWOMAN LYDA KREWSON, ALDERMAN KENNETH ORTMANN, ALDERMAN SHANE COHN, ALDERMAN STEPHEN CONWAY, ALDERWOMAN CAROL HOWARD, ALDERWOMAN JENNIFER FLORIDA, AND ALDERWOMAN DONNA BARINGER

1 An Ordinance establishing the Firefighters' Retirement Plan of the City of St. Louis;
2 providing retirement, disability and death benefits for the firefighters of the City and their
3 covered dependents, including severability and effective date clauses, and provisions
4 pertaining to the repeal of Chapter 4.18 of the Revised Code of the City of St. Louis and
5 the ordinances referenced therein, relating to The Firemen's Retirement System of St.
6 Louis.

7 **WHEREAS**, in 1959 the City adopted Ordinance 49623, establishing The
8 Firemen's Retirement System of St. Louis, effective January 1, 1960, under the general
9 authority of Senate Bill 314, approved by the Missouri General Assembly.

10 **WHEREAS**, as a result of a series of amendments and actions by the trustees of
11 The Firemen's Retirement System of St. Louis ("FRS"), the retirement plan originally
12 adopted by the City has been transformed into an unsustainable system with many
13 unaffordable secondary benefits, which must be funded by City.

14 **WHEREAS**, the City is required to fund FRS to the extent investment returns and
15 other revenues are insufficient to fund benefit obligations.

16 **WHEREAS**, FRS incurred actuarial investment losses totaling more than \$256
17 million during the eleven-year period from 2001 through 2011, resulting in an unfunded
18 liability in excess of \$117 million.

Ortmann, Alderman Shane Cohn, Alderman Stephen Conway, Alderwoman Carol
Howard, Alderwoman Jennifer Florida, and Alderwoman Donna Baringer

1 **WHEREAS**, during the same period of time, the City’s required annual payment
2 to FRS increased by 529 percent, from \$3,365,007 to \$21,176,763 (not including service
3 of debt incurred to fund contributions).

4 **WHEREAS**, the cost of funding FRS currently totals more than fifty-six percent
5 of the total firefighter’s payroll, compared to 10.3 percent in 2001 (not including service
6 of debt incurred to fund contributions), and approximately 14.3 percent of payroll to fund
7 the pension plan for other City employees.

8 **WHEREAS**, firefighter pension costs now consume about one-third of the Fire
9 Department's budget;

10 **WHEREAS**, these dramatic increases in FRS costs have created a severe
11 budgetary hardship on the City, which lacks the financial resources to sustain this level of
12 funding without drastically reducing other essential services, including services related to
13 fighting fires.

14 **WHEREAS**, service-related disability benefits under the FRS are more generous
15 than ordinary retirement benefits and have become a significant expense that is ultimately
16 borne by the City.

17 **WHEREAS**, the City is committed to funding the entire amount certified by the
18 actuary for the plan each year.

19 **WHEREAS**, given that there have historically been hundreds of applicants for
20 each opening for entry level firefighter positions in the fire department, the City believes

1 it can attract and retain qualified firefighters, and maintain a pension plan that is very
2 competitive in the marketplace, with a reduced level of contributions for pensions.

3 **WHEREAS**, the City wishes to reform the current retirement plan for its
4 firefighters, in order to (i) assure that firefighters receive all benefits accrued and earned
5 to date; (ii) make modifications for future benefits in a manner that provides substantial
6 retirement income benefits at an early retirement age of fifty-five, typical for firefighters
7 generally; (iii) maintain a pension benefit that is competitive in the marketplace that will
8 attract and retain qualified firefighters; (iv) preserve the long-term financial sustainability
9 of the plan and the City; (v) and reduce the financial burden on taxpayers funding the
10 system.

11 **WHEREAS**, the City wishes to preserve all benefits accrued to former employees
12 (and their beneficiaries) who already have retired and have begun receiving retirement
13 income benefits, and make limited changes to the pension benefits of Participants
14 employed as of the Effective Date; but establish a new pension benefit formula for
15 Participants hired after the Effective Date that is separate from and independent of the
16 formula applicable to Participants employed as of the Effective Date;

17 **WHEREAS**, City Ordinance 69149 repeals all ordinances establishing and
18 implementing The Firemen's Retirement System of St. Louis, and freezes benefit
19 accruals under such ordinances, effective upon enactment of a Board Bill that establishes
20 a successor plan;

6 A Grandfathered Participant who receives such a retirement income benefit shall
7 receive a refund of his contributions to the Prior Plan made before the Effective Date,
8 without interest; contributions to the Plan made on and after the Effective Date are not
9 refundable. All refundable contributions are payable at the time of his pension
10 commencement date.

11 D. Early Retirement Benefit. A Grandfathered Participant who incurs a
12 Termination of Employment after completing twenty Years of Service, but before
13 attaining his Normal Retirement Age of fifty-five years, shall be entitled to a monthly
14 retirement income payable to the Participant for his lifetime commencing on the first day

2 commencement date in accordance with subsection 4.19.020(B).

3 Solely for purposes of computing such Grandfathered Benefit, sick leave

5 than a total of thirty Years of Service for purposes of vesting and to allow such a
6 Participant to receive a monthly retirement income benefit in excess of seventy-five
7 percent of Average Final Compensation. Notwithstanding anything to the contrary
8 herein, sick leave of a Participant who is participating in DROP shall be subject to the
9 provisions of subsection 4.19.060E.

10 A Grandfathered Participant who receives such a retirement income benefit shall
11 receive a refund of his contributions to the Prior Plan made before the Effective Date,

2 Effective Date is actuarially reduced from \$16,000 to \$10,272.)

3 A Grandfathered Participant who incurs a Termination of Employment before
4 completing twenty Years of Service shall receive a refund of his Accumulated
5 Contributions with Interest in lieu of any pension benefit.

6 E. DROP. Grandfathered Participants who have completed at least twenty
7 Years of Service may elect to continue active employment and defer receipt of the
8 retirement benefit for a period not to exceed five years. Any Grandfathered Participant
9 who has at least twenty Years of Service may elect in writing before retirement to
10 participate in the deferred retirement plan program (“DROP”). A Grandfathered
11 Participant electing to participate in the DROP program shall continue in active
12 employment and shall not receive any direct retirement benefit payments during the time
13 of participation. Upon the start of participation in the DROP program, the Grandfathered
14 Participant shall make contributions at the rate of one percent of compensation, instead of
15 nine percent. During the period of participation in the DROP program, the amount that

1 DROP program shall not be credited and shall not be counted in determination of any
2 service-based retirement benefit.

3 A Grandfathered Participant who elects to stop participation in the DROP
4 program shall make contributions at the rate of nine percent of compensation. Service
5 rendered after restoration of the Grandfathered Participant to non-DROP participation
6 status shall be counted as Years of Service. No Grandfathered Participant ending
7 participation in the DROP program and returning to non-DROP participation status shall
8 make any withdrawal from his or her DROP account until after Termination of
9 Employment. If after return to non-DROP participation status, a Grandfathered
10 Participant retires, the Grandfathered Participant's retirement benefit shall be computed
11 on the combination of the Grandfathered Participant's pre-DROP retirement benefit
12 (based on Average Final Compensation at the beginning of the DROP period and any
13 applicable reduction for commencement before age fifty-five) plus an additional benefit
14 earned by the Grandfathered Participant after returning to non-DROP participation status.
15 Post-DROP Years of Service shall be the only years used in computing the additional
16 benefit; however, total Years of Service shall be used to determine the appropriate
17 accrual level of additional benefit, two percent or five percent, for each year of post-

2 periodic payments of reasonably equal amounts over a period of up to ten years.

3 If a Grandfathered Participant dies before Termination of Employment while
4 participating in the DROP program, the funds in his DROP account shall be payable to
5 the Grandfathered Participant's designated beneficiary under either of the following
6 options:

7 (1) A lump sum payment equal to the amount in the Grandfathered
8 Participant's DROP account shall be paid to the Grandfathered
9 Participant's beneficiary or the Grandfathered Participant's estate. The
10 death benefits for the beneficiary under the provisions of Section 4.09.080
11 shall be based on the Grandfathered Participant's compensation and Years
12 of Service before the Grandfathered Participant's participation in the
13 DROP program.

14 or

15 (2) The beneficiary may waive any claim to the Grandfathered Participant's
16 DROP account, in which case any death benefits payable to the
17 beneficiary under the provisions of Section 4.09.080 shall be calculated as
18 if the Grandfathered Participant had continued as an employee and had not

1 If a Grandfathered Participant who has elected to participate in the DROP
2 program subsequently applies for and receives benefits for a disability benefit under the
3 provisions of Section 4.19.070, the Grandfathered Participant shall forfeit all rights,
4 claims or interest in his DROP account and the Grandfathered Participant's benefits shall
5 be calculated as if the Grandfathered Participant had continued in employment and had
6 not elected to participate in the DROP program. Any funds in a DROP account which has
7 been forfeited as provided in this Plan shall become funds of the Plan.

8 A Grandfathered Participant's DROP account shall earn interest (or loss) equal to
9 the percentage rate of return of the Trust Fund's investment portfolio as certified annually
10 by the actuary in the yearly evaluation report. The interest shall be credited annually to
11 the Grandfathered Participant's account beginning with the start of the second fiscal year
12 of participation.

13 No Participant may elect to participate in the DROP program more than once.

14 Notwithstanding anything to the contrary in this Chapter, a Grandfathered
15 Participant who is participating in the DROP program may elect upon Termination of
16 Employment to have placed in his or her DROP account a dollar amount equal to the
17 number of his sick leave hours accumulated before September 26, 2010 multiplied by his
18 or her hourly rate of pay at the time of Termination of Employment; or to place one-half

2 and added to the Grandfathered Participant's Years of Service before the Effective Date.

3 F. Cost of Living Increases. The grandfathered benefit payable in
4 accordance with subsections (C) and (D) of this Section shall be increased annually, as
5 approved by the Board of Trustees beginning with the first increase in the October
6 following retirement of the Participant and subsequent increases in each October
7 thereafter, at the rates designated as follows:

8 (1) One and one-half percent per year, compounded each year, up to age sixty
9 for those retiring with twenty to twenty-four Years of Service,

10 (2) Two and one-fourth percent per year, compounded each year, up to age
11 sixty for those retiring with twenty-five to twenty-nine Years of Service,

12 (3) Three percent per year, compounded each year, up to age sixty for those
13 retiring with thirty or more Years of Service,

14 (4) After age sixty, five percent per year for five years or until a total
15 maximum increase of twenty-five percent is reached.

16 Each increase, however, is subject to a determination by the Board of Trustees
17 that the consumer price index (United States Average Index) as published by the United
18 States Department of Labor shows an increase of not less than the approved rate during
19 the latest twelve-month period for which the index is available at date of determination.

2 but not to exceed a total increase of twenty-five percent. If the Board of Trustees
3 determines that the index has decreased for any year, the benefits of any retired
4 Participant that have been increased shall be decreased but not below his initial benefit.
5 No annual increase shall be made of less than one percent and no decrease of less than
6 three percent except that any decrease shall be limited by the initial benefit.

7 In addition to the above, Grandfathered Participants may share in ad hoc COLAs,
8 if any, to which they were entitled as of the day before the Effective Date in accordance
9 with the terms and conditions of the Prior Plan.

10 G. Limitation on Benefits. Subsections 4.19.050(F) and (G) shall apply to all
11 benefits, including grandfathered benefits.

12 **4.19.070 Disability Income.**

13 A. Disability Benefits – General. The disability income provisions of
14 subsections (B) through (G) of this Section apply to Participants who incur a
15 Termination of Employment on account of disability on or after the Effective Date.

9 contributions to the Plan made on and after the Effective Date are not refundable. All
10 refundable contributions are payable at the time of his disability commencement date.

11 C. Disability – Other. A Participant who incurs a Termination of

5 subsection (C) of this Section shall be increased as of each October 1, with the first
6 increase in the October following commencement of disability income payments and
7 each October thereafter, by an amount equal to the lesser of three percent or the increase
8 in the Consumer Price Index (“CPI”) for the previous calendar year; up to a maximum
9 aggregate increase of twenty-five percent. For purposes of this Section, CPI shall mean
10 the CPI for all urban consumers for the United States, or its successor index, approved by
11 the Board of Trustees, such as the index as defined and officially reported by the

5 refusal continues for one year all rights in and to his disability income shall be revoked
6 by the Board of Trustees.

7 Payment of disability benefits under this Section shall be discontinued upon the
8 earliest of the following:

- 9 (1) the refusal of the Participant to undergo a medical examination;
- 10 (2) the time as of which the Board of Trustees finds the Participant is no
11 longer Totally and Permanently Disabled; or
- 12 (3) the death of the Participant.

6 time of retirement shall be increased as of each October 1, with the first increase in the
7 October following commencement of disability income payments and each October
8 thereafter, by an amount equal to the lesser of three percent or the increase in the CPI (as
9 defined in subsection D of this Section) for the previous calendar year; up to a maximum
10 aggregate increase of twenty-five percent.

11 A disabled beneficiary shall submit a copy his annual federal income tax return to
12 the Board of Trustees for each calendar year for which the beneficiary is eligible of a
13 disability benefit under this Section. Payment of disability benefits of a beneficiary shall

4 **4.19.090 Limitations of Benefits.**

5 A. Limitation on Benefits. In no event shall the annual benefit under this Plan
6 and all other defined benefit plans maintained by the City exceed the lesser of:

- 7 (1) The amount specified in Section 415(b)(1)(A) of the Code, as adjusted for
8 any applicable increases in the cost of living in accordance with Section
9 415(d) of the Code, as in effect on the last day of the Plan Year; and
10 (2) One-hundred percent of the average compensation of such Participant for
11 his high three consecutive Plan Years as provided in Section 415 of the
12 Code.

13 Notwithstanding anything to the contrary in this Section, the annual benefit, when
14 paid in the form of a joint and survivor annuity, can be as great as that of a Single Life
15 Annuity for the Participant, not in excess of the limitations contained in the first sentence
16 of this Section, plus a survivor annuity at the same level for the Participant's Spouse.

17 For purposes of this Section, Section 415 of the Code, which limits the benefits

2 Equivalent assumptions prescribed in subsection 4.19.020(B), except as otherwise
3 required by Section 415(b)(2)(E) of the Code. The cost-of-living adjustments under

5 incorporated by reference as provided under Section 1.415(a)-1(d)(3)(v) of the Treasury
6 Regulations. Pursuant to Treas. Reg. Section 1.415(b)-1(c)(5), no adjustment shall be
7 required to a benefit that is paid in a form that is not a straight life annuity to take into
8 account the inclusion of an automatic benefit increase feature in such form of benefit. In
9 no event will the amount payable in any limitation year to a Participant under a form of
10 benefit with an automatic benefit increase feature be greater than the Code Section 415(b)
11 limit applicable at the annuity starting date, as increased in subsequent years pursuant to
12 Section 415(d) of the Code and Treas. Reg. §1.415(d)-1. In the case of a Participant who
13 received a portion of his or her benefit in the form of a lump sum (a DROP), the annuity
14 equivalent of such lump sum portion, calculated in accordance with Treas. Reg.

8 **4.19.100 Payment of Benefits.**

9 A. Claim for Benefits. No pension or other benefit shall be payable under
10 this Plan to any Participant or beneficiary except as expressly provided for in this
11 Section. The Board of Trustees shall authorize payments under this Plan.

12 No pension or other benefit shall be payable until the Participant or beneficiary
13 shall have filed a claim for benefits with the Board of Trustees or its designated
14 representative. Such claim must be submitted in writing on a form provided by, or
15 suitable to, the Board of Trustees at least fifteen days prior to the date on which payments
16 begin. The Board of Trustees may require any applicant to furnish it with such
17 information as may be reasonably necessary, including a copy of the Participant's death
18 certificate, if applicable.

19 B. Latest Time of Payment. This section does not contain the general rules of
20 the Plan governing the time and form of distribution. In particular, this Section in and of
21 itself does not give any right to a Participant or Beneficiary to defer distributions beyond

1 the time of distribution provided in the preceding Sections. The provisions of this
2 Section shall apply only to the extent they specifically override the other provisions of
3 this Plan governing the payment of pensions.

4 Notwithstanding anything to the contrary in the Plan and regardless of any
5 election of the Participant, distribution of the Participant's retirement benefit shall
6 commence no later than the Participant's Required Beginning Date. The Required
7 Beginning Date of a Participant is April 1st of the calendar year following the later of (i)
8 the calendar year in which the Participant attains age seventy and one-half; and (ii) the
9 calendar year in which the Participant incurs a Termination of Employment.

10 The Participant's entire interest under the Plan shall be distributed in the form of
11 nonincreasing periodic annuity payments beginning on the Participant's Required
12 Beginning Date and extending over the life of the Participant or the joint lives of the
13 Participant and a designated beneficiary (as determined in accordance with Treas. Reg.
14 §1.401(a)(9)-4), or over a period not extending beyond the life expectancy of the
15 Participant or the joint life expectancy of the Participant and a designated beneficiary.

16 If a Participant dies after payments have begun in accordance with the
17 immediately preceding paragraph but before the Participant's entire interest has been
18 distributed, the remaining portion of such interest shall be distributed at least as rapidly as
19 under the method of distribution in effect as of the date of the Participant's death. If a
20 Participant dies before payments have begun in accordance with the immediately
21 preceding paragraph, the entire interest of the Participant shall be distributed:

- 1 (1) if payable to (or for the benefit of) a designated beneficiary in a form other
2 than a single sum distribution, over the life of the designated beneficiary
3 (or over a period not extending beyond the life expectancy of such
4 beneficiary), beginning not later than one year after the date of the
5 Participant's death, or if the sole designated beneficiary is the Participant's
6 surviving spouse, by December 31st of the calendar year in which the
7 Participant would have attained age seventy and one-half, if later; and
- 8 (2) if payable to (or for the benefit of) a designated beneficiary in the form of
9 a single sum distribution, the entire interest of the Participant shall be
10 distributed within five years after the Participant's death.

11 If the surviving spouse described in subdivision (1) above dies before the
12 distributions to such spouse begin, this subdivision shall be applied as if the surviving
13 spouse were the Participant.

14 All distributions required under this Section shall be determined and made in
15 accordance with Section 401(a)(9) of the Code and Treas. Reg. §§1.401(a)(9)-2 through
16 1.401(a)(9)-9, including the incidental death benefit requirements of Section 401(a)(9)(G)

19 401(a)(9) of the Code, including the incidental death benefit requirements of Section
20 401(a)(9)(G), and the regulations thereunder, are hereby incorporated by reference.

1 C. Payments to Legal Incompetents. If the Board of Trustees shall receive
2 satisfactory evidence that a Participant or beneficiary entitled to receive any benefit
3 under this Plan is, at the time when such benefit becomes payable, physically unable or
4 mentally incompetent to receive such benefit and to give a valid release therefor and that
5 another person or an institution is then maintaining or has custody of such Participant or
6 beneficiary, and that no guardian or other representative of the estate of such Participant
7 or beneficiary shall have been duly appointed, then the Board of Trustees may authorize
8 payment of such benefit otherwise payable to such Participant or beneficiary to such
9 other person or institution, and the release of such other person or institution shall be
10 valid and complete discharge for the payment of such benefit.

11 D. Misstatement in Application for Pension. If any Participant or any
12 beneficiary in his application for a pension or in response to a request of the Board of
13 Trustees for information gives any material fact which is erroneous or omits any material
14 fact or fails before receiving his first payment to correct any material fact that he

1 Compensation Law of the state of Missouri to a Participant, or to the dependents of a
2 Participant on account of any disability or death, shall be offset against and payable in
3 lieu of any benefits payable out of the Trust Fund.

4 B. Benefits for Re-Hired Retirees. If a Participant is re-employed after his or
5 her Annuity Starting Date, pension payments shall be suspended while the Participant is
6 re-employed as an active Employee. Such a Participant shall continue to accrue benefits
7 based on Years of Service, if any, credited after such re-employment. The Participant's
8 benefit shall be recomputed upon a subsequent Termination of Employment in
9 accordance with the terms of the Plan in effect at such time.

10 C. Qualified Domestic Relations Orders. In the event the former spouse of a
11 Participant is entitled to a benefit under this Plan pursuant to a Qualified Domestic
12 Relations Order, as described in Section 414(p) of the Code, such former spouse may
13 receive such benefit in the form of a single life annuity for the lifetime of such spouse
14 commencing on or after such Participant attains his Early Retirement Date. The monthly
15 amount of such a single life annuity shall be determined so that such benefit is the
16 Actuarial Equivalent, determined as of the benefit commencement date in accordance
17 with subsection 4.19.020(B), of the portion of the Accrued Benefit of the Participant
18 payable to the former spouse pursuant to the Qualified Domestic Relations Order.
19 Notwithstanding anything to the contrary in the Plan, the Accrued Benefit of a Participant
20 shall be reduced by an amount equal to the Actuarial Equivalent of any benefit paid to his
21 former spouse pursuant to a Qualified Domestic Relations Order.

1 To the extent a former spouse is treated as the spouse of the Participant by reason
2 of a Qualified Domestic Relations Order, any current spouse of the Participant shall not
3 be treated as the spouse. Where, because of a Qualified Domestic Relations Order, more
4 than one individual is to be treated as the spouse of a Participant, the total amount paid
5 from the Plan shall not exceed the amount that would be paid if there were only one
6 spouse.

7 No benefit shall be payable to a former spouse pursuant to a Qualified Domestic
8 Relations Order, as described in Section 414(p) of the Code, until the former spouse shall
9 have filed a claim for benefits with the Board of Trustees or its designated representative.
10 Such a claim must be submitted in writing on a form provided by or suitable to the Board
11 of Trustees at least fifteen days prior to the date on which payments begin. Payments to a
12 former spouse in the form prescribed in this Section may be made prior to the time
13 payments are made to the Participant.

14 D. Direct Rollover of Eligible Rollover Distributions. Notwithstanding any
15 provision of the Plan to the contrary that would otherwise limit a distributee's election
16 under this Section, a distributee may elect, at the time and in the manner prescribed by
17 the Board of Trustees, to have any portion of an eligible rollover distribution, if any, paid
18 directly to an eligible retirement plan specified by the distributee in a direct rollover.

2 any distribution that is one of a series of substantially equal periodic
3 payments (not less frequently than annually) made for the life (or life
4 expectancy) of the distributee or the joint lives (or joint life expectancies)
5 of the distributee and the distributee's designated beneficiary, or for a
6 specified period of ten years or more; any distribution to the extent such
7 distribution is required under Section 401(a)(9) of the Code; any hardship
8 distribution described in Section 401(k)(2)(B)(I)(IV) of the Code; and the
9 portion of any distribution that is not includable in gross income
10 (determined without regard to the exclusion for net unrealized
11 appreciation with respect to employer securities).

12 (2) *Eligible retirement plan:* An eligible retirement plan is an individual
13 retirement account described in Section 408(a) of the Code, an individual

5 (4) *Direct rollover:* A direct rollover is a payment by the plan to the eligible

9 Code and an eligible plan under Section 457(b) of the Code which is maintained by a
10 state, political subdivision of a state, or any agency or instrumentality of a state or
11 political subdivision of a state and which agrees to separately account for amounts

2 beneficiaries shall any part of the Trust Fund be used for or diverted to any purpose other
3 than for their exclusive benefit or to pay administrative expenses of the Plan, except as
4 specifically provided in this Plan.

5 B. Annual Actuarial Examination. At least once each year, the Board of
6 Trustees shall cause the liabilities of the Plan with respect to retirement benefits to be
7 evaluated by an Actuary who shall report on the soundness and solvency of the Trust
8 Fund in relation to such liabilities and on the amount of the contribution for the year
9 which is appropriate to keep the Trust Fund actuarially sound with respect to the
10 obligation to pay the benefits under the Plan. Except as described below, each such
11 report shall be delivered to the City's Budget Director no later than March 1st of each
12 year.

13 Beginning with the actuarial valuation as of October 1, 2011, and continuing
14 thereafter, the Actuary shall use the entry age normal method, amortizing the unfunded
15 accrued liability as a level percent of payroll. If the Board of Trustees fails to provide the

2 purposes of determining the City's contribution amount for the pertinent Plan Year.

3 Actuaries retained by the Board of Trustees shall be subject to the procurement
4 rules contained in Ordinance 64102, or its successor.

5 At least every five years, the Board of Trustees shall engage the Actuary to
6 review the mortality, service and compensation experience of the Participants and
7 beneficiaries of the Plan and update mortality and other assumptions as appropriate.

8 C. Rights of Participants. No person shall have any financial interest in, or
9 right to, any assets in the Trust Fund, except as expressly provided for in this Plan. Each
10 Participant shall be entitled to look only to assets in the Trust Fund for satisfaction of any
11 benefit payable to such person under this Plan. No liability for payment of benefits under
12 this Plan shall be imposed upon the City or the Board of Trustees.

13 D. Return of Employer Contributions. In the event a contribution by the City
14 is made by reason of a mistake of fact, the excess of the amount contributed over the
15 amount that would have been contributed had there not occurred a mistake of fact
16 (without earnings attributable to such excess, but after reduction of losses attributable
17 thereto) may be returned to the City within one year of such a mistaken payment.

2 authority and discretion to invest the assets of the Plan in accordance with this Section,
3 except to the extent that the authority to manage, acquire or dispose of assets of the Plan
4 is delegated to one or more investment managers. The Board of Trustees may, but shall
5 not be required to, appoint an investment manager or managers to manage all or any
6 portion of the assets of the Trust Fund. An investment manager shall have the authority
7 and discretion to manage and control the assets of the Plan assigned to it by the Board of
8 Trustees, in accordance with the agreement between the investment manager and the
9 Board of Trustees. The Board of Trustees shall not be obligated to invest or otherwise
10 manage any assets of the Plan so assigned to an investment manager, nor shall the Board
11 of Trustees be liable for the acts or omissions of such an investment manager.

12 The selection of investment managers shall be based solely on sound investment
13 principles in the best interest of the Trust Fund. No member of the Board of Trustees
14 shall have any personal interest in the selection of an investment manager, except benefits
15 from an interest in investments common to all Participants in the Plan. The Board of
16 Trustees shall keep a record of the process for the selection of investment managers,
17 which shall be open to public inspection.

18 Upon transfer of the assets of the Prior Plan to the Trust Fund, each investment

2 assets of the Trust Fund as a prudent investor would, taking into account the purposes,
3 terms, distribution requirements, and other circumstances of the Plan. In satisfying this
4 standard, the Board of Trustees shall exercise reasonable care, skill and prudence. No
5 member of the Board of Trustees shall have any interest in the gains or profits made on

8 properly and actually incurred. The selection of any actuary shall be subject to a
9 competitive bidding process in accordance with the terms and conditions of Ordinance
10 64102 and any subsequently enacted requirements governing contracts for professional

5 of such person, liability for acting outside the scope of the person's authority, including
6 but not limited to the authority and limitations stated in this Section 4.19.140, and
7 liability for directing payment of benefits that are not made pursuant to a reasonable,
8 good faith interpretation of the explicit terms of the Plan.

9 G. Officers and Employees. The Plan's Board of Trustees shall elect a
10 chairman from its membership by a majority vote. The Board of Trustees, at its first
11 board meeting and as its first matter of business, shall determine whether the individuals
12 who were employed by FRS on the effective date of this board bill in the positions of

9 Trustees, or receive any compensation from the Trust Fund. The Board of Trustees shall
10 comply with all Charter and ordinance requirements governing contracts for professional

8 provide to the claimant written notice of the extension, the special circumstances
9 requiring the extension, and the date by which the Board of Trustees expects to render the
10 final decision.

11 C. Appeal of Denial. Within sixty days after a claim is denied, the claimant
12 or his duly authorized representative may appeal such denial to the Board of Trustees by
13 filing a written notice of appeal of the claim denial with the Board of Trustees, provided
